

## New Starters

Thank you for showing interest in our classes at Epic Dance Academy!!

If your child is a new starter there is no need to pay for the full month. You can pay cash or via online banking at the class for PAYG for the first month.

Please note that IF a class is missed the payment will **not** get rolled over.

A form will be handed to you on arrival of your child's first class that must be completed. In the meantime, can you send me your child's **FULL NAME, AGE** and **CONTACT NAME AND NUMBER** to confirm child's place.

Once your child has attended and would like to continue, we shall add you to a group WhatsApp for dates and other class info!

We look forward to welcoming you into the Epic Dance Academy family!
